

SlamIT Action Plan Form

Vision
Invite the entire family including Grandparents on a three weeks vacation in New Zealand.
Objectives/aims/goals
To save enough money over the next two years so I can buy the tickets in May 2009
That means (what needs to be done)
Cut down on our daily expenses in the family including amusements and leisure time activities
Therefore we do (by whom and when)
<p>There I have to stop smoking, My wife has to stop power-shopping My children will get cheaper Christmas presents the next two years. We must use public transportation and sell car number two</p>
We expect to see (what evidence indicate progress)
£ 1500 on our bank account December 2008
Evaluation (how and when will evidence be gathered)
In October 2009 the entire family will meet after returning from New Zealand to a splendid dinner in our house. During and after the dinner we will share our experiences and photos
