

More about school libraries in Iceland

- Many small schools around the
country
- A lot of positive activities

The North

- Akureyri and surrounding
- Visits from authors
- Regular meetings
- Courses
- Co-operation

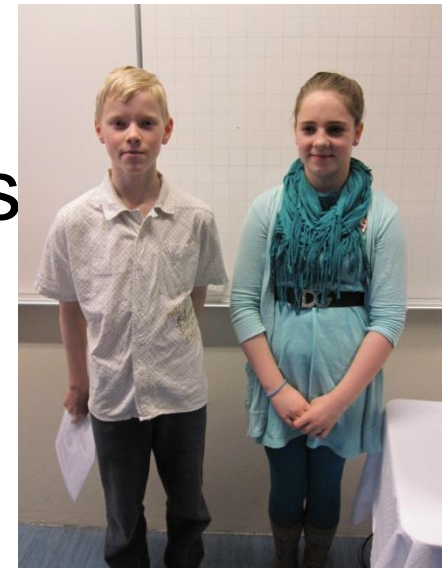

Hometown Scavenger Hunt

- An exciting search
- Competition for schools in Akureyri
- 13-15 years students try to find a trophy
- Finding hints in books in the library
- The keyword helps them to find the trophy
- Learning about Akureyri's story

The Big Reading Contest

- Every twelve year old takes part
- At first in each school
- Then in each part of the country
- At last on a country basis
- And then we have two winners

Childrens´ Books Center

- Founded last February
- At the University of Akureyri
- Cooperation of The University, The Municipal Library and The Akureyri Museum
- Its purpose:
 - Research on childrens´ literature
 - Enhance reading
