

Welcome to SLAMit5 in Ennis

Main course objectives

The course intends to

contribute to escalating and accelerating the establishment and development of learning centres in the primary and secondary schools through concentrated and in-depth introduction to management of school libraries and the use of information literacy and multi media systems

provide opportunities for building relations and network between professionals from the European countries

encourage course participants to include the European/international dimension in their future projects and actions plans for their local schools/school libraries/centres.

About the course
